Metropolitan Market raises \$5,217 in customer donations

Last week, Metropolitan Market presented a \$5,217 check to Puget Soundkeeper Alliance Executive Director Bob Beckman, which was the accumulation of five-cent donations from Metropolitan Market customers.

The customers chose to donate their 5 cents bag reuse rebate to Puget Soundkeeper Alliance, a partner or-

ganization to Metropolitan Market.

"The partnership between Puget Soundkeeper Alliance and Metropolitan Market is a great example of community and environmental stewardship," Beckman said. "We applaud Metropolitan Market's efforts to encourage their customers to reuse their bags and give back to Puget Sound."
